

How to Use Rate My View

Rate My View is an exciting new way to capture and share what you really feel your local seascape.

It is part of a project that aims to discover new ways of Exploring landscapes and to better understand how we all see them and to discover what we value

Follow these easy steps:

DOWNLOAD the App. from www.ratemyview.co.uk

TAKE A PHOTO of a view that you like or is important to you.

RATE your view - up to 5 stars

COMPLETE 3 PHRASES (required) which describe the view and in the comments box – please provide further information on the reasons why this particular view is important to you, these comments can be either positive or negative. Note you can submit as many views as you like!

UPLOAD your Image – Please note this will only happen when you have WiFi coverage however your phone will remember the co-ordinates and direction of view.

The Uploaded image will then appear on the map for Everyone to see. By taking part and rating your view you will be providing us valuable information about the importance of our coastline and what it means to you.

You can add and rate pictures whenever you want and you do not need to restrict it to the coastal landscape.

Its easy, quick and good fun- have a go!
